

Before You Enroll

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a representative at **1-833-905-1311**.

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **experiencehealthnc.com** or call **1-833-777-7394** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the prescription drug formulary to make sure your prescription drugs are covered, identify the tiers under which they're covered, and understand what copays you are responsible for.

Understanding Important Rules

- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- This plan operates on a calendar year basis. Benefits, premiums and/or payments/coinsurance may change on January 1 of each year.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the Provider Directory).
- All members are required to select a Primary Care Physician (PCP). If you do not select a PCP, we will be in touch to find one for you.
