Yearly Limit
This limit gives you financial protection. This limit tells you the **most** you will have to pay in "out-of-pocket" costs (copays and coinsurance) for medical and hospital services covered by the plan. This yearly limit is called your "out-of-pocket maximum." It puts a limit on how much you have to pay, but it does **not** put a limit on how much care you can get. Once you have reached your limit in out-of-pocket costs, you **stop** paying out-of-pocket for all Medicare-covered services. You keep getting your covered medical and hospital services as usual, and the **plan will pay the full cost for the rest of the year.**

ABOUT YOUR EOB

Page two provides an overview of the contents of your EOB. It's also where to look if you need help. It points you in the right direction depending on what your needs are.

About This Document

Look over the information about your claims – does it seem correct?

If you have questions about a claim or think there might be a mistake, start by calling your doctor's office or service provider. Ask them to explain the claim. If you still have questions, call us at Member Services at **1-833-777-7394 (TTY: 711)**.

You have a right to make an appeal or complaint.

Making an appeal is a formal way of asking us to change our decision about your coverage. You can make an appeal if we deny a claim. You can also make an appeal if we approve a claim but you disagree with how much you are paying for the items or services. For information about making an appeal, see Denials and Your Appeal Rights at the end of this document.

This report is not a bill.

If you have not already paid the amount shown under Your Share, wait until you get a bill from the provider. If you get a bill that is higher than the amount under Your Share, call us at Member Services at **1-833-777-7394 (TTY: 711)**.

Some things to note:

- **Remember: This is not a bill.** This monthly report of claims we have processed shows what care you have received, what the plan has paid and how much you have paid out-of-pocket (or can expect to be billed). **If you owe anything, your doctors and other health care providers will send you a bill.**
- **This report covers medical and hospital care only.** If you incur expenses for prescriptions, you will receive a separate Monthly Prescription Drug Summary.
- **Different services can share the same label, like "Medical" or "Laboratory."** This helps protect your privacy. If the provider you saw is not the one listed on a claim, another contracted provider in the same practice or facility may have submitted the claim.

Privacy Protection

Detailed service descriptions are not on EOBs for privacy reasons. But you have the right to know which codes your provider submitted — and what they mean. You can get them directly from the provider or by calling Experience Health Member Services at **1-833-777-7394 (TTY: 711)**.

DENIED CLAIMS AND YOUR APPEAL RIGHTS

This page will only be included in your EOB if Experience Health has denied all or part of a claim. It outlines your appeal rights and has contact information should you need help.

This tells you what it means to make an appeal, what to expect and what your rights are.

Explanation of Benefits
THIS IS NOT A BILL

Denied Claims and Your Appeal Rights

If we denied all or part of a claim, **you have the right to appeal.** Making an appeal is a formal way of asking us to change the decision we made to deny your claim. If we agree to change our decision, it means we will approve the claim rather than deny it, and we will pay our share.

The provider can also make an appeal, and if this happens, you may not have to pay. You may wish to contact the provider to find out if they will ask us for an appeal. If the provider properly asks for an appeal, you will not be responsible for payment, except for the normal cost sharing amount, and you don't need to make an appeal yourself.

When we deny part or all of a claim, we send you a letter ("Notice of Denial of Payment") explaining why the service or item is not covered. This letter also tells what to do if you want to appeal our decision and have us reconsider.

If you do not have this letter, call Member Services at **1-833-777-7394 (TTY: 711).**

If you have questions or need help with your appeal, contact:
